Samuel Langhorne Clemens

Better known by his pen name, MARK TWAIN, American writer.

(Portrayed by Bob Gleason from the American Historical Theater in Philadelphia.)

*Author and humorist, Samuel Langhorne Clemens, or as he is better known, Mark Twain, used his home town of Hannibal, Missouri as the backdrop for his two most notable works: **The Adventures of Tom Sawyer and Adventures of Huckleberry Finn** (which has often been referred to as the **Great American Novel**). He tried a number of other career options before discovering his true vocation. He was an apprentice printer, a typesetter, a riverboat pilot, a gold miner, inventor and finally a journalist. He was a Jack-of-all-trades, who could never master his finances, though he always made sure his debts were eventually paid, but when it came to writing he certainly excelled. He became well-known for his works, was acclaimed by his peers, and counted presidents and industrialists and other notables amongst his friends.*
